Art Unit: 2632

1. The following is an examiner's statement of reasons for allowance:

the art of record fails to teach the claimed object tracking system, method for tracking objects, and computer-readable medium for performing the method (recited in an analogous manner to the claims of U.S. Patent 6,801,245, which patent issued from parent application 10/052,427), involving the steps of receiving a multiplicity of objects to be tracked at a known location, each of the multiplicity of objects having at least one imagable identifier affixed thereto; imaging the multiplicity of objects together at the known location to provide an at least partial image of the multiplicity of objects; employing the at least partial image to determine an identification code for at least a plurality of the multiplicity of objects; and associating each identification code with a known location code.

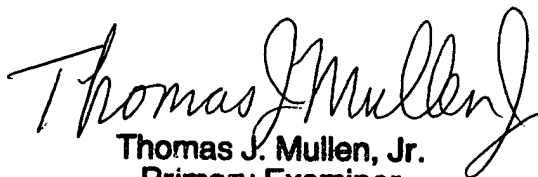

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
